

# Outstanding Science Educator Award Application Form

The Nebraska Heart Institute Outstanding Science Educator Award is intended to honor Lincoln Public School science educators who make significant contributions to students' lives in the science classroom and beyond. Award winners will receive a \$1,000 award. Selection of award winners will be facilitated by the **Foundation for Lincoln Public Schools**.

Please complete this application form to tell the selection committee about yourself. Nebraska Heart Institute values educators who seek the best from students and themselves. Use specific examples which capture your ability to "motivate students to reach their potential" in the science classroom and beyond.

Your completed application must be returned by **February 1** to the Foundation for Lincoln Public Schools, 5901 O Street, Lincoln, NE 68510 or LPSDO Box 4. If you have any questions about this application, please contact the Foundation at 436-1612.

(Please print or type. This form is also available in PDF format by e-mailing [foundation@lps.org](mailto:foundation@lps.org).)

Your name

Your address

City

State

Zip

Your phone

School

Position

Special area of expertise

Number of years employed by the Lincoln Public Schools

Please respond to each of the following, each in 500 or fewer typed words:

- Describe how you make science in your classroom come alive. What innovative techniques do you use to encourage and stimulate interest and learning for your students? Give specific examples.
- Describe how you have worked to make Lincoln a better community beyond your school commitment.

Attach a resume in outline form (two page maximum) which includes formal education, teaching experience, professional activities and other activities related to your role as an educator including service to the community.

***Thank you for your interest in the  
Nebraska Heart Institute Outstanding Science Educator Award***
